THE GREAT TRAIL

The Great Trail in Ontario

This marks the connection of Ontario's section of The Great Trail of Canada in honour of Canada's 150th anniversary of Confederation in 2017.

From where you are standing, you can embark upon one of the most magnificent and diverse journeys in the world.

Whether heading east, west, north or south, The Great Trail—created by Trans Canada Trail (TCT) and its partners—offers all the natural beauty, rich history and enduring spirit of our land and its peoples.

Launched in 1992, just after Canada's 125th anniversary of Confederation The Great Trail was conceived by a group of visionary and patriotic individuals as a means to connect Canadians from coast to coast to coast.

Given Canada's vastness, varied terrain and sparse population, it was a bold—almost impossible—undertaking.

Today, the Trail stretches nearly 24,000 kilometres, giving Canadians, now and for generations to come, a way to honour our shared history by retracing many of the routes that charted our nation's development.

Paddlers can explore the rivers and lakes first traversed by Indigenous peoples and voyageurs; hikers and horseback riders can meander the paths travelled by our first settlers; and cyclists can pedal the former railways that powered early industry.

With hundreds of sections, The Great Trail is a trail of trails, running through urban, rural and wilderness areas, including all provincial and territorial capitals and many of our country's provincial, territorial and national parks.

The Great Trail provides Canadians and visitors alike with free, accessible recreational infrastructure promoting healthy living, active transportation and an appreciation for Canada's natural heritage.

Each Trail section also serves to shine the spotlight on that region's unique history, geographical charms and cultural heritage, making it an important asset for local tourism.

One of the most heartwarming aspects of the Trail is its grassroots nature. For decades, volunteer groups and communities from the Atlantic to the Arctic and the Pacific oceans, have worked diligently towards realizing the grand dream of connecting Canadians to their land and to one another.

These dedicated Trail builders overcame the challenges of difficult terrain and scarce resources through hard work and optimism, resulting in the creation of the world's longest and grandest trail; one that connects over 15,000 communities.

Bolstering their efforts have been thousands of generous and loyal donors, all levels of government, and a host of dedicated patrons, National Champions, board members and staff. While often invisible, their support has been critical to the development of the Trail.

On behalf of the people of Canada, Trans Canada Trail extends its heartfelt gratitude to each and every person who has helped to make this bold dream a reality.

Thank you for this wonderful gift, one that Canadians bequeath to one another, to the world and to future generations.

The Great Trail is a sacred place: a place to stand and reflect, a place for discovery and pleasure. It's common ground that gives birth to new dreams and destinies.

Find it. Use it. Cherish it.

No matter your age, your passions or your beliefs, there is a link that connects us all.

LE GRAND SENTIER

Le Grand Sentier au Ontario

Ceci marque le raccordement du Grand Sentier à travers l'Ontario pour le 150e anniversaire de la Confédération canadienne en 2017.

À partir d'où vous êtes, vous pouvez entreprendre l'un des voyages les plus beaux et les plus diversifiés du monde.

Que vous vous dirigiez vers l'est, l'ouest, le nord ou le sud, Le Grand Sentier du Canada—créé par le sentier Transcanadien (STC) et ses partenaires—vous offre ses multiples beautés naturelles ainsi que la riche histoire et l'esprit qui perdure de notre pays et des gens qui l'habitent.

Lancé en 1992, juste après le 125e anniversaire de la Confédération du Canada, Le Grand Sentier a été conçu, par un groupe de visionnaires et de patriotes, comme le moyen de relier les Canadiens d'un océan aux deux autres.

Étant donné l'immensité du Canada, sa population clairsemée et la nature variée du terrain, c'était une entreprise audacieuse—presque impossible.

Aujourd'hui, le Sentier serpente sur près de 24 000 kilomètres. Il permet aux Canadiens, maintenant et pour des générations à venir, de rendre honneur à leur histoire commune en empruntant à leur tour de nombreux itinéraires qui ont préparé le développement de notre nation.

Les pagayeurs peuvent explorer les rivières et les lacs qu'ont traversés les peuples autochtones et les trappeurs; les randonneurs et les cavaliers peuvent flâner dans les sentiers arpentés par les premiers colons; et les cyclistes, pédaler sur les anciens chemins de fer, moteur des débuts de l'industrie.

Avec ses centaines de tronçons, Le Grand Sentier est véritablement un sentier de sentiers. Il se déroule à travers des régions urbaines, rurales et sauvages, y compris les capitales des provinces et des territoires, et plusieurs des parcs provinciaux, territoriaux et nationaux de notre pays.

Le Grand Sentier fournit, aux Canadiens comme aux visiteurs, une infrastructure récréative accessible et gratuite, qui favorise un mode de vie sain, le transport actif et la contemplation du patrimoine naturel du Canada.

De plus, chaque tronçon du Sentier braque les projecteurs sur la région qu'il parcourt, son histoire unique, ses attraits géographiques et son héritage culturel, ce qui en fait un atout certain pour le tourisme local.

Le Sentier résulte d'efforts communautaires, c'est l'un de ses aspects qui nous réchauffe le plus le cœur. En effet, pendant des décennies, des groupes de bénévoles et des communautés—de l'océan Atlantique à l'océan Arctique et à l'océan Pacifique—ont travaillé avec diligence à la réalisation de ce grand rêve : relier les Canadiens les uns aux autres et à leur pays.

Ces dévoués bâtisseurs du Sentier ont surmonté les obstacles des terrains accidentés et des ressources limitées, grâce à leur travail acharné et à leur optimisme, pour aboutir à la création du plus long et du plus grandiose sentier du monde, qui rassemble au-delà de 15 000 collectivités.

Leurs efforts ont été soutenus par des milliers de fidèles et généreux donateurs, tous les paliers de gouvernement et une foule d'amis du Sentier, de champions nationaux, et de membres du conseil d'administration et du personnel dévoués. Quoique souvent invisible, leur appui a été essentiel au développement du Sentier.

Au nom des habitants du Canada, nous, du sentier Transcanadien, adressons notre gratitude à toutes les personnes qui nous aident à faire de ce rêve ambitieux une réalité.

Merci de ce cadeau merveilleux, que les Canadiens s'offrent les uns aux autres, et lèguent au monde et aux générations futures.

Le Grand Sentier est un lieu sacré : un endroit où se tenir debout et réfléchir, un lieu de découvertes et de joies. C'est un terrain d'entente, où les rêves et les destinées se révèlent.

Repérez-le. Parcourez-le. Chérissez-le.

Quels de soient votre âge, vos passions et vos convictions, il existe un lien qui nous unit tous.

The Great Trail Across Canada

Trans Canada Trail Ontario

Trans Canada Trail Ontario (TCTO) is a provincial non-profit organization that represents The Great Trail in Ontario, founded in 1992. TCTO's mandate is to plan and support trail development across the province, with help from local agencies, government organizations, community associations and First Nation communities.

Ontario's section of The Great Trail stretches over 5,000 kilometres, and offers a diverse range of trails allowing for a multitude of world-class outdoor experiences in both urban, rural and wilderness settings in the southern and northern regions of the province.

The Great Trail in Ontario connects approximately 150 communities through a collection of interconnected multi-use trails; giving preference to non-motorized trail use. In Ontario, many greenway routes are reserved for walking, hiking, running, and skiing; with cycling and paddling routes. The province is home to the longest section of The Great Trail's coast to coast to coast network, starting at the Manitoba border across to North Bay, down to Hamilton, and from Windsor to Ottawa.

Sentier Transcanadien Ontario

Sentier Transcanadien Ontario (STCO) est un organisme provincial sans but lucratif qui représente Le Grand Sentier en Ontario. Il a été fondé en 1992. Son mandat est de planifier et de financer le développement du Sentier dans la province, avec l'aide d'associations communautaires, de collectivités des Premières Nations, d'organisations gouvernementales et d'organismes locaux.

Le segment du Grand Sentier en Ontario s'étend sur plus de 5 000 kilomètres et présente une grande variété de pistes pour une multitude d'expériences de plein air de calibre mondial, dans les environnements urbains, ruraux et sauvages des régions du sud et du nord de la province.

Le Grand Sentier en Ontario réunit environ 150 collectivités par un réseau de sentiers à usages multiples raccordés les uns aux autres, en privilégiant les activités non motorisées. En Ontario, plusieurs voies vertes sont réservées à la marche, à la randonnée, à la course et au ski; il y a aussi des pistes cyclables et des voies navigables pour les sports de pagaie. La province comprend le plus long segment provincial du Grand Sentier. Ce segment commence à la frontière du Manitoba traverse la province jusqu'à North Bay, descend pour atteindre Hamilton puis Windsor et remonte vers Ottawa.

North Bay

North Bay's section of The Great Trail passes through one of the most historic areas of Canada, and is aligned with three of the original cross-country trails that were used to explore, develop and populate this great country.

These trails were used first by First Nations people, who led the early explorers and fur traders along the Trout Lake – La Vase River to Lake Nipissing on their way to the West. Some well-known names made their way along the original trail such as Samuel de Champlain in 1615 and followed by Jean Nicolet, Jacques Cartier and Alexander MacKenzie, to name a few.

The Canadian Pacific Railway arrived in 1882 on its way west. The railway became the second cross-country trail to pass through the city. The push to assemble rail lines across the country to the Rockies was an effort to join Canada from east to west.

This pavilion sits on a portion of the original trans-Canada Highway where in 1916, it crossed Chippewa Creek and the CPR tracks to enter North Bay and continued west across Canada.

The Kate Pace Way is North Bay's contribution to The Great Trail; one path in a vast network of modern day trails in the region championed by Discovery Routes Trails Organization.

À propos du pavillon de North Bay

La section de North Bay du Grand sentier traverse l'une des régions les plus anciennes historiquement du Canada et elle abrite trois des sentiers d'origine qui traversaient le pays et servaient à explorer, développer et peupler ce magnifique pays.

Ces sentiers étaient utilisés par les peuples des Premières nations qui guidaient les premiers explorateurs et les commerçants de fourrures le long du lac à la Truite et de la rivière La Vase vers le lac Nipissing dans leur progression vers l'Ouest. Certains noms ont laissé leur trace sur le sentier d'origine comme Samuel de Champlain en 1615, suivi de Jean Nicolet, Jacques Cartier et Alexander MacKenzie, pour n'en nommer que quelques-uns.

Dans sa progression vers l'Ouest, le Chemin de fer Canadien Pacifique est arrivé en 1882 à North Bay. Il est devenu le deuxième sentier pancanadien qui passe à travers la ville. L'objectif était d'établir une ligne de chemin de fer en direction des Rocheuses et de relier la côte est à la côte ouest.

Ce pavillon est situé sur une section de l'autoroute transcanadienne d'origine ou, en 1916, elle traversait le ruisseau Chippewa et les rails du CFCP pour entrer dans North Bay et se poursuivait ensuite vers l'Ouest canadien.

Le sentier Kate Pace est la contribution de North Bay au Grand sentier. Il est intégré dans un vaste réseau de sentiers modernes dans la région qui est parrainé par la Discovery Routes Trails Organization.

Women IN **Mining**

The Women's Association of the Mining Industry of Canada, Toronto

Since 1921 we have supported the mining industry, the earth sciences and students, as well as worthy community endeavours such as this Millennium Project. The varied experience of our members affords the organization a deep appreciation of the beauty and geographic diversity of this land.

It is with pride that we support the Trans Canada Trail in the Sudbury area, a region rich in natural resources and historical significance to Canadian mining.

In memory of
Norm Taub

A friend and colleague who lived to follow trails. It was always the journey that mattered and the little vignettes of life that one discovers "on the trail".

This site, on the Old Ghost Trail, halfway between Rosseau and Nipissing is a place from which Norm would have found great comfort and a source of endless stories.

His spirit lives on in all of us who were fortunate to have known him and heard his tales.

"Remember, my sentimental friend, that a heart is not judged by how much you love, but by how much you are loved by others."
Professor Marvel, Wizard of Oz
