THE GREAT TRAIL

The Great Trail in Prince Edward Island

This marks the connection of Prince Edward Island's section of The Great Trail of Canada in honour of Canada's 150th anniversary of Confederation in 2017.

From where you are standing, you can embark upon one of the most magnificent and diverse journeys in the world.

Whether heading east, west, north or south, The Great Trail—created by Trans Canada Trail (TCT) and its partners—offers all the natural beauty, rich history and enduring spirit of our land and its peoples.

Launched in 1992, just after Canada's 125th anniversary of Confederation The Great Trail was conceived by a group of visionary and patriotic individuals as a means to connect Canadians from coast to coast to coast.

Given Canada's vastness, varied terrain and sparse population, it was a bold—almost impossible—undertaking.

Today, the Trail stretches nearly 24,000 kilometres, giving Canadians, now and for generations to come, a way to honour our shared history by retracing many of the routes that charted our nation's development.

Paddlers can explore the rivers and lakes first traversed by Indigenous peoples and voyageurs; hikers and horseback riders can meander the paths travelled by our first settlers; and cyclists can pedal the former railways that powered early industry.

With hundreds of sections, The Great Trail is a trail of trails, running through urban, rural and wilderness areas, including all provincial and territorial capitals and many of our country's provincial, territorial and national parks.

The Great Trail provides Canadians and visitors alike with free, accessible recreational infrastructure promoting healthy living, active transportation and an appreciation for Canada's natural heritage.

Each Trail section also serves to shine the spotlight on that region's unique history, geographical charms and cultural heritage, making it an important asset for local tourism.

One of the most heartwarming aspects of the Trail is its grassroots nature. For decades, volunteer groups and communities from the Atlantic to the Arctic and the Pacific oceans, have worked diligently towards realizing the grand dream of connecting Canadians to their land and to one another.

These dedicated Trail builders overcame the challenges of difficult terrain and scarce resources through hard work and optimism, resulting in the creation of the world's longest and grandest trail; one that connects over 15,000 communities.

Bolstering their efforts have been thousands of generous and loyal donors, all levels of government, and a host of dedicated patrons, National Champions, board members and staff. While often invisible, their support has been critical to the development of the Trail.

On behalf of the people of Canada, Trans Canada Trail extends its heartfelt gratitude to each and every person who has helped to make this bold dream a reality.

Thank you for this wonderful gift, one that Canadians bequeath to one another, to the world and to future generations.

The Great Trail is a sacred place: a place to stand and reflect, a place for discovery and pleasure. It's common ground that gives birth to new dreams and destinies.

Find it. Use it. Cherish it.

No matter your age, your passions or your beliefs, there is a link that connects us all.

LE GRAND SENTIER

Le Grand Sentier Île-du-Prince-Édouard

Ceci marque le raccordement du Grand Sentier à travers l'Île-du-Prince-Édouard du Grand Sentier pour le 150e anniversaire de la Confédération canadienne en 2017.

À partir d'où vous êtes, vous pouvez entreprendre l'un des voyages les plus beaux et les plus diversifiés du monde.

Que vous vous dirigiez vers l'est, l'ouest, le nord ou le sud, Le Grand Sentier du Canada — créé par le sentier Transcanadien (STC) et ses partenaires — vous offre ses multiples beautés naturelles ainsi que la riche histoire et l'esprit qui perdure de notre pays et des gens qui l'habitent.

Lancé en 1992, juste après le 125e anniversaire de la Confédération du Canada, Le Grand Sentier a été conçu, par un groupe de visionnaires et de patriotes, comme le moyen de relier les Canadiens d'un océan aux deux autres.

Étant donné l'immensité du Canada, sa population clairsemée et la nature variée du terrain, c'était une entreprise audacieuse — presque impossible.

Aujourd'hui, le Sentier serpente sur près de 24 000 kilomètres. Il permet aux Canadiens, maintenant et pour des générations à venir, de rendre honneur à leur histoire commune en empruntant à leur tour de nombreux itinéraires qui ont préparé le développement de notre nation.

Les pagayeurs peuvent explorer les rivières et les lacs qu'ont traversés les peuples autochtones et les trappeurs; les randonneurs et les cavaliers peuvent flâner dans les sentiers arpentés par les premiers colons; et les cyclistes, pédaler sur les anciens chemins de fer, moteur des débuts de l'industrie.

Avec ses centaines de tronçons, Le Grand Sentier est véritablement un sentier de sentiers. Il se déroule à travers des régions urbaines, rurales et sauvages, y compris les capitales des provinces et des territoires, et plusieurs des parcs provinciaux, territoriaux et nationaux de notre pays.

Le Grand Sentier fournit, aux Canadiens comme aux visiteurs, une infrastructure récréative accessible et gratuite, qui favorise un mode de vie sain, le transport actif et la contemplation du patrimoine naturel du Canada.

De plus, chaque tronçon du Sentier braque les projecteurs sur la région qu'il parcourt, son histoire unique, ses attraits géographiques et son héritage culturel, ce qui en fait un atout certain pour le tourisme local.

Le Sentier résulte d'efforts communautaires, c'est l'un de ses aspects qui nous réchauffe le plus le cœur. En effet, pendant des décennies, des groupes de bénévoles et des communautés — de l'océan Atlantique à l'océan Arctique et à l'océan Pacifique — ont travaillé avec diligence à la réalisation de ce grand rêve : relier les Canadiens les uns aux autres et à leur pays.

Ces dévoués bâtisseurs du Sentier ont surmonté les obstacles des terrains accidentés et des ressources limitées, grâce à leur travail acharné et à leur optimisme, pour aboutir à la création du plus long et du plus grandiose sentier du monde, qui rassemble au-delà de 15 000 collectivités.

Leurs efforts ont été soutenus par des milliers de fidèles et généreux donateurs, tous les paliers de gouvernement et une foule d'amis du Sentier, de champions nationaux, et de membres du conseil d'administration et du personnel dévoués. Quoique souvent invisible, leur appui a été essentiel au développement du Sentier.

Au nom des habitants du Canada, nous, du sentier Transcanadien, adressons notre gratitude à toutes les personnes qui nous aident à faire de ce rêve ambitieux une réalité.

Merci de ce cadeau merveilleux, que les Canadiens s'offrent les uns aux autres, et lèguent au monde et aux générations futures.

Le Grand Sentier est un lieu sacré : un endroit où se tenir debout et réfléchir, un lieu de découvertes et de joies. C'est un terrain d'entente, où les rêves et les destinées se révèlent.

Repérez-le. Parcourez-le. Chérissez-le.

Quels que soient votre âge, vos passions et vos convictions, il existe un lien qui nous unit tous.

Island Trails Inc.

In December of 1989 when the Canadian National Railway discontinued rail transportation on Prince Edward Island the late Donald Deacon, avid cyclist, activist and philanthropist had a trail vision. Along with others he successfully lobbied to transfer ownership of the rail lines to the province and to convert the abandoned rail beds to cycling and hiking trails for recreational and tourism use on Prince Edward Island.

In 1994, Island Trails Inc. was established as a successor to PEI Rails to Trails, and construction of a 273-km trail from Tignish in the west to Elmira in the east began – Donald's dream was taking shape. The "Tip to Tip" Confederation Trail was completed in August of 2000. Since then branch lines have also been converted to trails resulting in some 435 km of the Confederation Trail in PEI. In 2014, an additional 30 km section of the Confederation Trail from Stratford to Iona was completed with the assistance of a $1.4 million donation from the Garfield Weston Foundation.

Island Trails Inc. is a non-profit corporation that has recently expanded its mandate in order to promote and develop other recreational trails throughout PEI. They currently maintain seven woodland hiking trails for public use across the province.

Island Trails Inc.

En décembre 1989, lorsque le chemin de fer du Canadien National a cessé ses activités de transport sur l'Île-du-Prince-Édouard, l'ancien directeur, Donald Beacon, cycliste passionné, activiste et philanthrope, avait sa vision du Sentier. Avec le soutien d'autres, il a exercé des pressions avec succès afin de transférer la propriété des lignes de chemin de fer à la province et de convertir les voies ferrées abandonnées en sentiers de cyclisme et de randonnée à des fins récréatives et touristiques sur l'Île-du-Prince-Édouard.

En 1994, Island Trails Inc. a été créée pour remplacer PEI Rails to Trails (des chemins de fer aux sentiers Î.-P.-É.), et la construction d'un sentier de 273 km de Tignish à l'Ouest à Elmira à l'Est avait commencé – le rêve de Donald prenait forme.

Le sentier de la Confédération, qui couvre l'Île-du-Prince-Édouard de bout en bout a été terminé en août 2000. Depuis, des embranchements ont également été convertis en sentiers, portant le sentier de la Confédération à une longueur de 435 km. En 2014, un segment supplémentaire de 30 km a été terminé, reliant Stratford à Iona, avec le soutien d'un don de 1,4 million de dollars provenant de la Fondation Garfield Weston.

Island Trails Inc. est un organisme à but non lucratif qui a récemment élargi son mandat afin de promouvoir et développer d'autres sentiers récréatifs sur l'Île-du-Prince-Édouard. Elle entretient actuellement sept sentiers de randonnée dans des terrains boisés destinés au public à travers la province.
