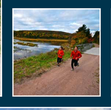
THE GREAT TRAIL



The Great Trail of Canada

This pavilion was created to mark the connection of The Great Trail in honour of Canada's 150th anniversary of Confederation in 2017.

From where you are standing, you can embark upon one of the most magnificent and diverse journeys in the world.

Whether travelling east, west, north or south, The Great Trail – created by Trans Canada Trail and its partners – offers the natural beauty, rich history and enduring spirit of our land and its peoples.

Launched in 1992, the year of Canada's 125th anniversary of Confederation, The Great Trail was conceived by a group of visionary and patriotic individuals as a means to connect Canadians from coast to coast to coast.

Given Canada's vastness, varied terrain and sparse population, it was a bold – almost impossible – undertaking.

Today, the Trail stretches over 24,000 kilometres, giving Canadians, now and for generations to come, a way to honour our shared history by retracing many of the routes that charted our nation's development.

Paddlers can explore the rivers and lakes first traversed by Indigenous peoples and voyageurs; hikers, cyclists, cross-country skiers, snowmobilers and horseback riders can explore the paths travelled by the first settlers as well as the former railways that powered early industry.

With hundreds of sections, The Great Trail is a trail of trails, running through urban, rural and wilderness areas, including all provincial and territorial capitals and many of our country's provincial, territorial and national parks.

The Great Trail provides Canadians and visitors with free, accessible recreational opportunities promoting healthy living, active transportation and an appreciation for Canada's natural heritage.

Each Trail section also serves to shine the spotlight on that region's unique history, geographical charms and cultural heritage, making it an important asset for local tourism.

One of the most heartwarming aspects of the Trail is its grassroots nature. For decades, volunteer groups and communities from the Atlantic to the Arctic and the Pacific oceans, have worked diligently towards realizing the grand dream of connecting Canadians to their land and to one another.

These dedicated Trail builders overcame the challenges of difficult terrain and scarce resources through hard work and optimism, resulting in the creation of the world's longest trail; one that connects over 15,000 communities.

Bolstering their efforts have been municipal, provincial, territorial and federal governments, thousands of generous and loyal donors, and a host of dedicated patrons and Champions. Over the past 25 years, Trans Canada Trail Board members, including Paul LaBarge, our longest-serving volunteer, have effectively guided the organization while Foundation Board members, under the determined leadership of the founding co-Chairs Valerie Pringle and Hartley Richardson, have been instrumental in ensuring the success of our fundraising efforts. Their support has been critical to the development and connection of the Trail.

On behalf of the people of Canada, Trans Canada Trail extends its heartfelt gratitude to each and every person who has helped to make this bold dream a reality. We are especially grateful for the longstanding and unwavering support of the Government of Canada.

The Great Trail is a place to stand and reflect, a place for discovery. It's a place steeped in Indigenous heritage that inspires respect. It's common ground that gives birth to new dreams and destinies.

Discover it. Use it. Cherish it.

LE GRAND SENTIER

Le Grand Sentier du Canada

Ce pavillon a été créé afin de marquer le raccordement du Grand Sentier pour le 150e anniversaire de la Confédération canadienne en 2017.

À partir d'où vous êtes, vous pouvez entreprendre l'un des voyages les plus beaux et les plus diversifiés du monde.

Que vous vous dirigiez vers l'est, l'ouest, le nord ou le sud, Le Grand Sentier du Canada – créé par le sentier Transcanadien et ses partenaires – vous offre ses multiples beautés naturelles ainsi que la riche histoire et l'esprit qui perdure de notre pays et des gens qui l'habitent.

Lancé en 1992, l'année du 125e anniversaire de la Confédération du Canada, Le Grand Sentier a été conçu, par un groupe de visionnaires et de patriotes, comme le moyen de relier les Canadiens d'un océan aux deux autres.

Étant donné l'immensité du Canada, sa population clairsemée et la nature variée du terrain, c'était une entreprise audacieuse – presque impossible.

Aujourd'hui, le Sentier serpente sur plus de 24 000 kilomètres. Il permet aux Canadiens, maintenant et pour des générations à venir, de rendre honneur à leur histoire commune en empruntant à leur tour de nombreux itinéraires qui ont préparé le développement de notre nation.

Les pagayeurs peuvent explorer les rivières et les lacs qu'ont traversés les peuples autochtones et les trappeurs; les randonneurs, les cyclistes, les cavaliers, les skieurs et les motoneigistes peuvent explorer les sentiers arpentés par les premiers colons, ainsi que les anciens chemins de fer, moteur des débuts de l'industrie.

Avec ses centaines de tronçons, Le Grand Sentier est véritablement un sentier de sentiers. Il se déroule à travers des régions urbaines, rurales et sauvages, y compris les capitales des provinces et des territoires, et plusieurs des parcs provinciaux, territoriaux et nationaux de notre pays.

Le Grand Sentier fournit, aux Canadiens comme aux visiteurs, une infrastructure récréative accessible et gratuite, qui favorise un mode de vie sain, le transport actif et la contemplation du patrimoine naturel du Canada.

De plus, chaque tronçon du Sentier braque les projecteurs sur la région qu'il parcourt, son histoire unique, ses attraits géographiques et son héritage culturel, ce qui en fait un atout certain pour le tourisme local.

Le Sentier résulte d'efforts communautaires, c'est l'un de ses aspects qui nous réchauffe le plus le cœur. En effet, pendant des décennies, des groupes de bénévoles et des communautés – de l'océan Atlantique à l'océan Arctique et à l'océan Pacifique – ont travaillé avec diligence à la réalisation de ce grand rêve : relier les Canadiens les uns aux autres et à leur pays.

Ces dévoués bâtisseurs du Sentier ont surmonté les obstacles des terrains accidentés et des ressources limitées, grâce à leur travail acharné et à leur optimisme, pour aboutir à la création du plus long sentier du monde, qui rassemble au-delà de 15 000 collectivités.

Leurs efforts ont été soutenus par des milliers de fidèles et généreux donateurs, tous les paliers de gouvernement, une foule d'amis du Sentier et des champions nationaux. C'est grâce à la direction efficace des membres du Conseil d'administration – y compris Paul LaBarge, notre bénévole comptant le plus grand nombre d'années de service – ainsi que la détermination des membres de la Fondation sous le leadership des Coprésidents Valerie Pringle et Hartley Richardson, si le succès de l'organisation a pu être assuré.

Au nom des habitants du Canada, nous, du sentier Transcanadien, adressons notre gratitude à toutes les personnes qui nous aident à faire de ce rêve ambitieux une réalité. Nous sommes particulièrement reconnaissants pour le soutien durable et inébranlable du Gouvernement du Canada.

Le Grand Sentier est un endroit où se tenir debout et réfléchir, un lieu de découvertes. C'est un lieu imprégné d'héritage indigène qui inspire le respect. C'est un terrain d'entente où les rêves et les destinées se révèlent.

Trans Canada Trail
Sentier Transcanadien

The Forks:
Our Meeting Place On The Great Trail

The Forks in Treaty One territory and the homeland of the Métis has been a meeting place for thousands of years. Indigenous peoples from across the North American plains came to this spot to trade, to hunt, to fish, and to celebrate.

The Trans Canada Trail echoes some of North America's most important traditional migratory routes, both overland and by water, and in many places recalls the footprint of the transcontinental railway that opened the Great Plains to European settlement.

Uniting Canada's vast territory, The Great Trail embodies a diversity of landscapes and captures the spirit of this country.

The Forks draws us for celebrations both great and small. We gather here at the heart of the continent on our own journeys, reflecting, strolling and actively engaging, as people have for generations. Now, The Great Trail connects us as a nation.

Use The Great Trail for your own adventures. Beginning here at The Forks, seek new experiences and make new friends. Thank you to all the visionaries – our donors, supporters, volunteers and staff – who have made this Trail a reality for everyone to share and create memories.

Trails Manitoba

Is the official body overseeing the coordination of the building of the Trans Canada Trail in Manitoba, as well as the development of other trails in the province. Trails Manitoba is governed by a volunteer board, providing management and direction for trail development undertaken by regional trail associations with more than 100 volunteers.

The development of recreational trails using former rail lines was an opportunity championed in the 1980s by both volunteers and civil servants. During the early nineties, volunteers travelled through the province, promoting the idea of recreational trails. In 1992, Trans Canada Trail (TCT) was launched, and Trails Manitoba was approached in 1993 to become the official provincial trail council for TCT. At the same time, Trails Manitoba incorporated as the Manitoba Recreational Trails Association (MRTA). In 1998, the first significant length of the TCT in Manitoba was registered; this, the Rossburn Subdivision Trail, was purchased from CN.

In 2000, the Government of Manitoba (Minister of Culture, Heritage & Tourism) provided a $2,125,000 financial contribution for the construction of Manitoba's portion of the TCT, as well as for the development of other trails. To date more than $9,000,000 in federal and provincial funding have been invested in trail construction in the province.

Trails Manitoba is responsible for managing the development of Manitoba's 1,555 kilometre section of the TCT, as well as the future development of connecting and non-connecting tour trails, construction of pavilions and trail markers, and the production of interpretive materials. Trails Manitoba has works with 21 trail groups and with dedicated volunteers in Manitoba on trail construction. Canadians across this great country can celebrate the longest trail in the world at over 24,000 kilometres.

In 2017, to honour the nation's sesquicentennial – Canada's 150th anniversary of Confederation – Trails Manitoba completed its connection across the province.

La Fourche :
Notre rencontre sur Le Grand Sentier

Depuis des milliers d'années, la fourche que l'on retrouve sur le territoire visé par le Traité no 1, terre ancestrale des Métis, constitue un point de rencontre incontournable. En effet, les autochtones provenant des plaines de partout en Amérique du Nord se retrouvaient à cet endroit pour faire du troc, chasser, pêcher et célébrer.

Le sentier Transcanadien comprend certaines des voies migratoires traditionnelles les plus importantes en Amérique du Nord, tant terrestres que maritimes et, dans de nombreuses régions, on peut y voir l'empreinte du chemin de fer transcontinental qui a ouvert les Grandes Plaines au peuplement européen.

Unifiant le vaste territoire canadien, le Grand Sentier chemine à travers une diversité de paysages et incarne l'esprit de ce pays.

La Fourche est le cadre de célébrations aussi grandes que petites. Nous nous réunissons ici, au cœur du continent, pour accomplir nos pérégrinations, nous laisser aller à nos réflexions, flâner ou nous engager activement, tout comme l'ont fait nos prédécesseurs pendant des générations. Maintenant, le Grand Sentier nous connecte en tant que nation.

Vivez vos propres aventures sur le Grand Sentier. Commencez ici à la Fourche, partez à la découverte et faites-vous des nouveaux amis. Tous nos remerciements à tous les visionnaires, soit nos donateurs, défenseurs, bénévoles et membres du personnel, qui ont fait de ce Sentier une réalité qui nous permet à tous de partager expérience et souvenirs.

Sentiers Manitoba

C'est l'organisme officiel qui supervise la coordination de la construction du sentier Transcanadien au Manitoba ainsi que l'aménagement d'autres sentiers dans la province. Sentiers Manitoba est dirigé par un comité de bénévoles qui assure la gestion et la direction de l'aménagement du Sentier entrepris par les associations régionales comptant plus d'une centaine de bénévoles.

L'aménagement de sentiers récréatifs utilisant d'anciennes lignes de chemin de fer constituait une occasion unique saisie dans les années 80 par des bénévoles et des fonctionnaires. Au début des années 90, des bénévoles ont sillonné la province, faisant la promotion de ces sentiers récréatifs. Par la suite, le sentier Transcanadien a été lancé en 1992, et Sentiers Manitoba a alors été approchée, en 1993, afin de devenir le conseil provincial officiel pour le STC. À la même époque, Sentiers Manitoba s'est constituée en personne morale sous la dénomination Manitoba Recreational Trails Association (MRTA). En 1998, on a relevé le premier tronçon d'importance du STC au Manitoba; ce segment, le sentier de la sous-division de Rossburn, a été acheté au CN.

En 2000, le gouvernement du Manitoba (ministère de la Culture, du Patrimoine et du Tourisme) a versé une contribution financière de 2 125 000 dollars pour la construction du tronçon du STC au Manitoba, ainsi que pour l'aménagement d'autres sentiers. À ce jour, plus de neuf millions de dollars en financement fédéral et provincial ont été investis dans la construction du sentier dans la province.

Sentiers Manitoba a pour responsabilité de gérer l'aménagement de la section de 1 555 kilomètres du STC au Manitoba ainsi que celui de futurs d'embranchements faisant ou non partie du raccordement; la construction de pavillons et de balises de sentier; et la production de panneaux d'interprétation. Sentiers Manitoba a collaboré avec 21 groupes de sentier et plusieurs bénévoles dévoués au Manitoba au profit de la construction du Sentier. Les Canadiens des quatre coins de ce magnifique pays peuvent célébrer le sentier le plus long au monde, un sentier qui totalise plus de 24 000 kilomètres.

En 2017, pour la célébration du 150e anniversaire de la Confédération canadienne, Sentiers Manitoba a terminé le raccordement de son tronçon provincial.

Always Remembered

AT KELLOGG'S, KIDS COUNT IN MORE THAN ONE WAY!

To all the Canadian families and schools who encouraged children to get moving in the right direction with the Kellogg's Kidz Count* initiative – we salute you.

Through Kidz Count, children and their families learned new activities to help build physical activity into their daily routine both at home and at school. Together, we walked, we counted our steps and we made a difference in our communities.

For our kids and the health of future generations, Kellogg Canada is proud to make a contribution towards the completion of the Trans Canada Trail.

Here's to active healthy living!

IN MEMORY OF JOHN POWELL PARRY

October 22, 1942 – March 4, 1999

John was our loved one, friend, mentor and colleague;
a quiet, unassuming man of principle and humour who
enjoyed hiking, canoeing, rugby, and mineral collecting.

Although born and raised in Ontario, he lived mainly in Manitoba
while working internationally. John, a Hydrogeological Engineer,
made a significant contribution toward improving the health,
livelihood, and living conditions of people in developing countries.
His efforts are valued and respected by all who knew him.

John, you have made a difference to many lives; we will miss you.

Our love and gratitude,

Your family, friends,
Wardrop and International Colleagues

Perhaps they are not the stars,
but rather openings in Heaven
where the love of our lost ones
pours through and shines down upon us
to let us know they are happy.

In recognition of the
George Oliver Family
of Galt, Ontario,

who homesteaded on the Carberry Plains in 1878.

These pioneers persevered and helped to build a country, making a Trans Canada Trail possible.

This Oliver Clan continues to reside on the original homestead.

"A portion of the Trans Canada Trail linking Canadians with each other was made possible through a donation on behalf of the employees of Export Development Corporation (EDC), a Crown corporation whose financial services help link Canadians with opportunities around the world."

« Une partie du Sentier transcanadien reliant tous les Canadiens a été aménagée grâce à un don fait au nom des employés de la Société pour l'expansion des exportations (SEE), société d'État dont les services financiers aident aussi à créer des liens, en rapprochant les Canadiens des sociétés qui offrent des débouchés dans le monde entier.»
