THE GREAT TRAIL

The Great Trail in Saskatchewan

This marks the connection of Saskatchewan's section of The Great Trail of Canada in honour of Canada's 150th anniversary of Confederation in 2017.

From where you are standing, you can embark upon one of the most magnificent and diverse journeys in the world.

Whether heading east, west, north or south, The Great Trail—created by Trans Canada Trail (TCT) and its partners—offers all the natural beauty, rich history and enduring spirit of our land and its peoples.

Launched in 1992, just after Canada's 125th anniversary of Confederation The Great Trail was conceived by a group of visionary and patriotic individuals as a means to connect Canadians from coast to coast to coast.

Given Canada's vastness, varied terrain and sparse population, it was a bold—almost impossible—undertaking.

Today, the Trail stretches nearly 24,000 kilometres, giving Canadians, now and for generations to come, a way to honour our shared history by retracing many of the routes that charted our nation's development.

Paddlers can explore the rivers and lakes first traversed by Indigenous peoples and voyageurs; hikers and horseback riders can meander the paths travelled by our first settlers; and cyclists can pedal the former railways that powered early industry.

With hundreds of sections, The Great Trail is a trail of trails, running through urban, rural and wilderness areas, including all provincial and territorial capitals and many of our country's provincial, territorial and national parks.

The Great Trail provides Canadians and visitors alike with free, accessible recreational infrastructure promoting healthy living, active transportation and an appreciation for Canada's natural heritage.

Each Trail section also serves to shine the spotlight on that region's unique history, geographical charms and cultural heritage, making it an important asset for local tourism.

One of the most heartwarming aspects of the Trail is its grassroots nature. For decades, volunteer groups and communities from the Atlantic to the Arctic and the Pacific oceans, have worked diligently towards realizing the grand dream of connecting Canadians to their land and to one another.

These dedicated Trail builders overcame the challenges of difficult terrain and scarce resources through hard work and optimism, resulting in the creation of the world's longest and grandest trail; one that connects over 15,000 communities.

Bolstering their efforts have been thousands of generous and loyal donors, all levels of government, and a host of dedicated patrons, National Champions, board members and staff. While often invisible, their support has been critical to the development of the Trail.

On behalf of the people of Canada, Trans Canada Trail extends its heartfelt gratitude to each and every person who has helped to make this bold dream a reality.

Thank you for this wonderful gift, one that Canadians bequeath to one another, to the world and to future generations.

The Great Trail is a sacred place: a place to stand and reflect, a place for discovery and pleasure. It's common ground that gives birth to new dreams and destinies.

Find it. Use it. Cherish it.

No matter your age, your passions or your beliefs, there is a link that connects us all.

LE GRAND SENTIER

Le Grand Sentier de la Saskatchewan

Ceci marque le raccordement du Grand Sentier à travers de la Saskatchewan pour le 150e anniversaire de la Confédération canadienne en 2017.

À partir d'où vous êtes, vous pouvez entreprendre l'un des voyages les plus beaux et les plus diversifiés du monde.

Que vous vous dirigiez vers l'est, l'ouest, le nord ou le sud, Le Grand Sentier du Canada — créé par le sentier Transcanadien (STC) et ses partenaires — vous offre ses multiples beautés naturelles ainsi que la riche histoire et l'esprit qui perdure de notre pays et des gens qui l'habitent.

Lancé en 1992, juste après le 125e anniversaire de la Confédération du Canada, Le Grand Sentier a été conçu, par un groupe de visionnaires et de patriotes, comme le moyen de relier les Canadiens d'un océan aux deux autres.

Étant donné l'immensité du Canada, sa population clairsemée et la nature variée du terrain, c'était une entreprise audacieuse — presque impossible.

Aujourd'hui, le Sentier serpente sur près de 24 000 kilomètres. Il permet aux Canadiens, maintenant et pour des générations à venir, de rendre honneur à leur histoire commune en empruntant à leur tour de nombreux itinéraires qui ont préparé le développement de notre nation.

Les pagayeurs peuvent explorer les rivières et les lacs qu'ont traversés les peuples autochtones et les trappeurs; les randonneurs et les cavaliers peuvent flâner dans les sentiers arpentés par les premiers colons; et les cyclistes, pédaler sur les anciens chemins de fer, moteur des débuts de l'industrie.

Avec ses centaines de tronçons, Le Grand Sentier est véritablement un sentier de sentiers. Il se déroule à travers des régions urbaines, rurales et sauvages, y compris les capitales des provinces et des territoires, et plusieurs des parcs provinciaux, territoriaux et nationaux de notre pays.

Le Grand Sentier fournit, aux Canadiens comme aux visiteurs, une infrastructure récréative accessible et gratuite, qui favorise un mode de vie sain, le transport actif et la contemplation du patrimoine naturel du Canada.

De plus, chaque tronçon du Sentier braque les projecteurs sur la région qu'il parcourt, son histoire unique, ses attraits géographiques et son héritage culturel, ce qui en fait un atout certain pour le tourisme local.

Le Sentier résulte d'efforts communautaires, c'est l'un de ses aspects qui nous réchauffe le plus le cœur. En effet, pendant des décennies, des groupes de bénévoles et des communautés — de l'océan Atlantique à l'océan Arctique et à l'océan Pacifique — ont travaillé avec diligence à la réalisation de ce grand rêve : relier les Canadiens les uns aux autres et à leur pays.

Ces dévoués bâtisseurs du Sentier ont surmonté les obstacles des terrains accidentés et des ressources limitées, grâce à leur travail acharné et à leur optimisme, pour aboutir à la création du plus long et du plus grandiose sentier du monde, qui rassemble au-delà de 15 000 collectivités.

Leurs efforts ont été soutenus par des milliers de fidèles et généreux donateurs, tous les paliers de gouvernement et une foule d'amis du Sentier, de champions nationaux, et de membres du conseil d'administration et du personnel dévoués. Quoique souvent invisible, leur appui a été essentiel au développement du Sentier.

Au nom des habitants du Canada, nous, du sentier Transcanadien, adressons notre gratitude à toutes les personnes qui nous aident à faire de ce rêve ambitieux une réalité.

Merci de ce cadeau merveilleux, que les Canadiens s'offrent les uns aux autres, et lèguent au monde et aux générations futures.

Le Grand Sentier est un lieu sacré : un endroit où se tenir debout et réfléchir, un lieu de découvertes et de joies. C'est un terrain d'entente, où les rêves et les destinées se révèlent.

Repérez-le. Parcourez-le. Chérissez-le.

Quels que soient votre âge, vos passions et vos convictions, il existe un lien qui nous unit tous.

The Great Trail Across Canada

Welcome to Saskatchewan

In Saskatchewan, The Great Trail features beautiful panoramas, breathtaking lookouts, meandering waterways and pedestrian bridges that are world-renowned feats of engineering.

The Trail in Saskatchewan has flourished thanks to the Saskatchewan Vision 2017 Trail Committee, rural municipalities, partnerships with Indigenous communities and strong volunteer engagement.

In June 2015, TCT was proud to attend the official opening of Saskatchewan's first-ever water trail, Chief Whitecap Waterway, in collaboration with Whitecap Dakota First Nation. The waterway spans 108 kilometres and offers spectacular views of the South Saskatchewan River and opportunities for camping along the route.

TCT has been working with rural municipalities across Saskatchewan to help build their tourism infrastructure, researching and adapting Trail routes to highlight points of interest and to link some of the province's most meaningful cultural and historical sites.

Bienvenue à Saskatchewan

En Saskatchewan, Le Grand Sentier permet de découvrir de magnifiques panoramas, des points de vue époustouflants, des cours d'eau sinueux et des ponts piétonniers qui constituent des chefs-d'œuvre d'ingénierie de renommée internationale.

Les accomplissements sur le Sentier dans la province sont grâce au comité Vision 2017 du STC, aux municipalités rurales, aux partenariats conclus avec les collectivités autochtones et au profond engagement des bénévoles.

En juin 2015, le STC était extrêmement fier de participer à l'ouverture officielle du tout premier sentier aquatique de la Saskatchewan, le sentier aquatique Chief Whitecap, en collaboration avec la Première Nation Dakota de Whitecap, Lake Diefenbaker Tourism, et Tourism Saskatchewan. Ce sentier est long de 108 kilomètres et propose des vues spectaculaires de la rivière Saskatchewan Sud, de même que des sites parfaits pour le camping le long de son parcours.

Le STC a travaillé en collaboration avec des municipalités rurales de toute la Saskatchewan pour aider à mettre sur pied leur infrastructure touristique, à chercher et à adapter des sentiers locaux pour mettre en valeur des points d'intérêt particuliers et à relier entre eux les sites culturels et historiques les plus significatifs de la province.

In loving memory of

Anna Gaye Donovan

1930 ~ 1998

Gaye, daughter of Douglas and Edyth Collins of Taihape, New Zealand, came to Canada in 1955 and was a nurse for Indian Health Services in four communities in Saskatchewan. Following her return to New Zealand in 1957, she was a Public Health Nurse at Taihape until her marriage in 1960 to Walter Donovan of Chatsworth, Ontario. They returned to Canada to work in native communities in Manitoba and Ontario. In 1969 they came to Saskatchewan, and worked with congregations at Swift Current, Kipling, North Battleford and Saskatoon, where Gaye initiated the Ecumenical Bible Study for the Nutana Park area.

Gaye was an inspiration to Lynne, Kerry, Andrew and Anna-Marie, encouraging them – and many other children as well as adults – to develop musical skills and appreciation of the arts. A park in Kipling is named for her, recognizing her work with flower gardens in that community. Like Priscilla in Longfellow's "The Courtship of Miles Standish", Gaye made her surroundings "Beautiful with her beauty, and rich with the wealth of her being!"

Rita Ellen Robertson (Campbell) of Saskatoon

Oh! I have slipped the surly bonds of Earth
And danced the skies on laughter-silvered wings;
Sunward I've climbed, and joined the tumbling mirth
Of sun-split clouds...
Put out my hand, and touched the face of God.

In loving memory of
Ronald Cusson

Son, brother, husband, father, grandfather, uncle and friend.
Miss me a little – but not too long and not with your head bowed low.
Remember the love we once shared,
Miss me – but let me go.
One special man that touched us all. Forever in our hearts.

In honour of our parents

they call home.
