

Chapter 150

Trans Canada Trail recognizes the following individuals and corporations as members of the *Chapter 150* leadership circle, an ever expanding group of benefactors determined to achieve the bold vision of fully connecting The Great Trail by 2017. By committing a minimum of \$500,000, these modern day nation builders are helping to connect the The Great Trail for all Canadians. All gifts to Trans Canada Trail are matched by the Government of Canada at one dollar for every two raised, which leveraged an additional \$5.06 million this year.
