*Town of Norman Wells  
 Participating in the 'Making of History'*

Let us pause for a few moments to think reverently of those of our comrades who by sea, by land and in the air, laid down their lives for their Sovereign and country. Their sacrifice will ever inspire us to labour on, to the end that those who survive and need our aid may be assured of assistance, and that the country in which we live, and for which they died may ever be worthy of the sacrifice they made.
