**Bill and Liz Hague of Oxford County** hope everyone enjoys themselves on these trails as much as Bill enjoyed cycling them.

Every morning he would pedal a virtual portion of the trail on his stationary bike, eventually completing the route from St. John's, Newfoundland to Victoria, British Columbia.

His greatest challenge is his fight with Multiple Sclerosis.

**Bill and Liz Hague of Oxford County**

hope everyone enjoys themselves on these trails as much as Bill enjoyed cycling them.

Every morning he would pedal a virtual portion of the trail on his stationary bike, eventually completing the route from St. John's, Newfoundland to Victoria, British Columbia.

His greatest challenge is his fight with Multiple Sclerosis.
