GOODFELLOW

**SPÉCIALISTES DU BOIS
THE WOOD SPECIALISTS**

Proud Partner / Fier Partenaire

Le mandat de CORCAN est d'aider à la réinsertion des délinquants dans la société de façon sécuritaire. Depuis 1999, ceux-ci ont participé en collaboration avec les instructeurs de l'établissement Cowansville du Service Correctionnel Canada, à l'édification de mobiliers d'haltes routières le long du Sentier transcanadien.

CORCAN's mandate is to help in the safe reintegration of offenders into Canadian society. Since 1999, inmates have worked in collaboration with the instructors of the Cowansville institution of the Correctional Service of Canada to build furniture for rest areas along the Trans Canada Trail.

Penguin Ski Club (1932 ~ 1999)
First established 'Women's Ski Club in North America'

The early history of the Penguin Ski Club was about pioneering sports women who were up to many challenges. They wanted to improve their aims and ambitions in a sport that was readily available and their "raison d'être" was to help the members enjoy skiing to the fullest and to advance the standard of ski proficiency. The Club was founded at an exciting time in the evolution of the Ski Jays, the Ski Chicks and Baby Bears.

In memory of

Harold Staniforth and John Walker

life-long friends, who passed on their love of nature,
skiing and these Laurentian hills
to their families, and who still encourage us
in all our endeavours.
