CANDIDATE VIDEO SCRIPT TO RECORD TCT PLEDGE FOR SOCIAL MEDIA (90-SECOND SCRIPT)

My name is [name] and I am your [party] candidate in [riding]. I am proud to sign the pledge to support the Trans Canada Trail.

We are so lucky to have the Trans Canada Trail – the world's longest network of multi-use recreational trails – in our country and in our community.

But, we must work together to protect and support the Trail so that generations to come can benefit from the immense mental and physical health benefits it provides.

Recognizing that our national trail is made possible only through stable, predictable and sustainable funding from the Government of Canada, I promise that if elected I will be a champion for the Trail on Parliament Hill, and will support the renewal of annual funding in support of the Trail nationally – and locally, right here in my community.

I pledge to protect and enhance the Trail – to share it with our community, and to work with Trans Canada Trail and our local partners to ensure the sustainability and viability of the Trail for generations to come.

I invite you to join me. Get outdoors and connect on the Trans Canada Trail near you and enjoy all it has to offer!
