**TRANS CANADA TRAIL**  
**SENTIER TRANSCANADIEN** TM/MC

The Trans Canada Trail is the world's longest network of multi-use recreational trails. It's a showcase of Canada's diverse landscapes and cultures, and a sustainable national asset that fosters unity, collaboration and connectedness. It is also key to supporting the physical and mental health of Canadians and fostering a healthy lifestyle.

Our national trail is made possible only through stable, predictable and sustainable funding from the Government of Canada.
