

TRAIL CARE

TRANS CANADA TRAIL'S **TRAIL CARE GRANT**

FALL 2022 GUIDELINES

***Vision:** Building on the achievement of connection, the Trans Canada Trail will continue to inspire everyone to embrace the outdoors; to connect to, learn about and honour the land; to value the diversity of all people; to enhance their health and well-being; and to share their stories along this globally significant and iconic trail network.*

The Trail Care Grant (TCG) will provide funding to improve Trail sections, support the transition from one season to another and ensure that all users can safely access the benefits of outdoor recreation on the Trans Canada Trail. We encourage all trail operators or user groups of a registered Trans Canada Trail section to apply for the grant, provided they have the proper permissions in place to complete the work. The goal for these projects should be to develop and maintain recreational trails and build volunteerism in the trail sector. This is critical for enjoyment year-round, as well as for the engagement of trail volunteers across the country. Grants up to \$1,000 will be awarded and can be used for a wide range of activities. The support that groups receive will be determined by TCT, based on the program guidelines below and on the number of applications received.

1. OBJECTIVE OF THE GUIDELINES

These guidelines will assist trail operators in the process of applying for the TCG and in joining Trans Canada Trail in helping to maintain the Trail from coast to coast to coast.

2. APPLICATION DETAILS

Applicants are encouraged to submit their proposals as early as possible. The deadline to submit an application is **October 15, 2022, at 5:00 P.M. (Pacific Time)**. All applications must be submitted using our [online form](#).

Eligible Criteria

Any local trail operators or user groups of a section of the Trans Canada Trail who wish to apply for funding are eligible under the TCG, provided they have the appropriate permissions and proof of insurance in place from the trail operator/owner.

The eligibility of a TCG application will be evaluated according to the following criteria:

- The proposed activity is located on an existing section of the Trans Canada Trail network
- The application focuses on engaging volunteers in the proposed activity, where safe and appropriate

- The project aligns with trail activities presented in section 3 below
- A detailed description of how the funds will be used is provided
- Only one group per local Trail section may apply. If the trail operator is not the owner (this includes groups that lease the section seasonally or actively use the section for their activities), permission from the owner must be obtained and provided, along with proof of insurance
- Applicants must be in good standing with Trans Canada Trail
- The applicant must hold valid liability insurance coverage for their section of the Trail

Project Timing

Trans Canada Trail strives to have activities completed at the beginning of the visitor season, allowing for a safe opening for users. This grant is intended to help transition during the shoulder seasons to ensure a seamless trail experience.

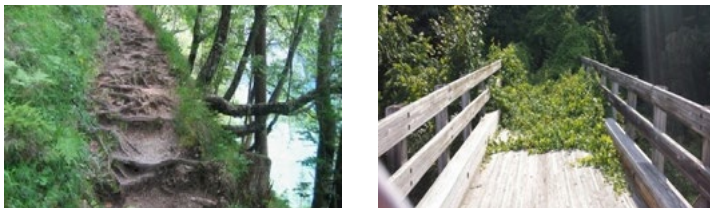

Available Funding

Eligible local trail operators can receive up to \$1,000. No matching funds are required. The size of the grant will depend on the total number of applications received by Trans Canada Trail.

Trans Canada Trail reserves the right to make all final decisions.

3. ELIGIBLE TRAIL ACTIVITIES

1. Maintenance activities involving volunteers:

- Preparing for a trail opening
- Grooming trails for winter activities (for Fall Trail Care Grant specifically)
- Structural repairs – replacing boards, repairing holes and cracks, etc.
- Erosion and drainage repairs – grading and/or levelling gravel
- General repairs – signage, barriers, fencing, surface, etc.
- General cleanup – brush cutting, clearing, etc.
- Equipment required to undertake a volunteer activity
- Maintenance materials required to undertake a volunteer activity – gravel, fence posts, etc.

2. Minor trail upgrade activities involving volunteers:

- Infrastructure upgrades – barriers, surface, etc.
- Mitigation measures to control access – boulders, maze gates, squeeze gates, etc.

3. Other trail activities involving volunteers:

- Volunteer training
- Trail cleanup days
- Invasive species management
- Tree-planting events
- Installation of habitat features (bird houses, bat boxes, etc.)

4. EVALUATION OF APPLICATIONS, FUNDING DECISIONS AND PAYMENTS

During the evaluation of applications, Trans Canada Trail may contact groups for additional or missing information. Notification of funding decisions will be provided before November 1, 2022, at which time all eligible groups will be informed of the funding amount they will receive.

If approved, you will receive a confirmation email, followed by an electronic funds transfer (EFT) payment. To receive a Trail Care Grant from Trans Canada Trail, all applicants must fill out and submit the [Electronic Funds Transfer Authorization](#) form with their application. Acceptance of these funds engages groups in an agreement with Trans Canada Trail to complete the activity, submit a final report, and adhere to program and acknowledgement guidelines.

5. ACTIVITY REPORT

A [final report](#) detailing the Trail Care Grant activities must be submitted to Trans Canada Trail no later than **January 30, 2023**. The report must be submitted using our online template and include the following information:

- A description of how the TCG funds were used for the upkeep of the Trail
 - Total number of volunteers and total number of volunteer hours—please make sure to account for these hours accurately
 - Estimated value of the activity
 - A minimum of three (3) photographs of the activity, including:
 - The person(s) taking part in the activity while it is happening
 - The Trail section before the maintenance activity has taken place
 - The final result(s) of your activity
- N.B. Any and all content submitted, including from any authorized third parties, (stories, photos, videos, reports, etc.) may be used in and/or for promotional Trans Canada Trail materials, without payment or any other consideration.
- Proof of grant acknowledgment (e.g., social media posts, posters, etc.)
 - Any other documents, as requested by Trans Canada Trail (e.g., proof of insurance)

6. PROMOTION AND ACKNOWLEDGEMENT

We ask that all recipients who are funded for activities through this program reach out to local volunteers. As funding recipients, all groups are required to publicly acknowledge Trans Canada Trail's contributions and how the Trail Care Grant is contributing to Trans Canada Trail's efforts to enhance the Trans Canada Trail. A promotional toolkit will be provided to all grant recipients. The acknowledgement must include posting event details and photos to social media, and the distribution of promotional materials supplied by Trans Canada Trail.

7. TRAIL CARE - EVENT SUPPORT

Trans Canada Trail may, from time to time, secure a specific sponsor for the Trail Care Grant program. These sponsorship opportunities often allow for selected applicants to host events on the Trail in conjunction with their approved projects. By applying, you are acknowledging that you understand TCT may reach out regarding an event opportunity.

8. CONTACT INFORMATION

If you have any questions about the Trans Canada Trail or these guidelines, please send an email to trailcare@tctrail.ca.
