STRATEGIC PRIORITY

1

Developing a lasting trail for future generations

STRATEGIC PRIORITY

2

By equipping local trail organizations with essential training, funding and resources, we will create a robust and sustainable trail sector. This will result in a more resilient network of trails that can adapt to changing needs and challenges.

STRATEGIC PRIORITY

Facilitating great outdoor experiences

By making it easier for people to discover and explore Canada's diverse landscapes and communities, we will increase trail usage and support. This will enhance health and well-being, foster community connections, and inspire greater public engagement and support for trails.
